

# *Settle Past Due Invoices and Vendor/Supplier Disputes Quickly And Stay Out Of Court Without Hiring Expensive Lawyers!*

*A Risk Free + Pay Only-for-Results Approach*

◆ *The Best Defense is a Great Offense* ◆

Retain a professional negotiator to work on *your* behalf to handle all the embarrassing collection calls and remove the threat of litigation. Credit managers, collection agencies and law firms represent your creditors. Goldman & Wise can assist you in negotiating and reducing your debts absolutely risk-free. Our services can make a good business *better*, a marginal business *good* and a failing business a *survivor*.

*Since we are not attorneys, you are never charged for consultations, letters, phone calls, paperwork, secretarial fees or legal work. We are a proactive financial business consulting firm operating on a results-only basis. We are paid a moderate percentage of the money we save your company. If we don't reach a satisfactory settlement that you approve, you pay us nothing. We preserve your operating capital! No results...No fees!*

For years, creditors have resorted to collection agencies, lawyers and the court system to fight their battles. Now you have access to an experienced Professional Debt Management firm who can resolve your financial problems with a speedy solution. By utilizing our services, you can prevent huge legal expenses, interest penalties, court costs, filing fees and most importantly, the devastating loss of your production time that produces profits. Most settlements are negotiated and finalized in less than two weeks. We have developed a systematic, effective and proven approach for resolving past-due debts. Our system is so effective that the usual savings to you can range from **40% to 80%** of your accounts payable. If you are facing problem cash flow, past due payments, disputed invoices, liens, judgments, bankruptcy or potential lawsuits, call immediately to arrange a no-obligation, confidential, risk-free consultation with a Certified Professional. Your fast response translates into more favorable settlements on your behalf. Our twelve years of experience and expertise virtually guarantees success for you. Don't hesitate. Act Now!
